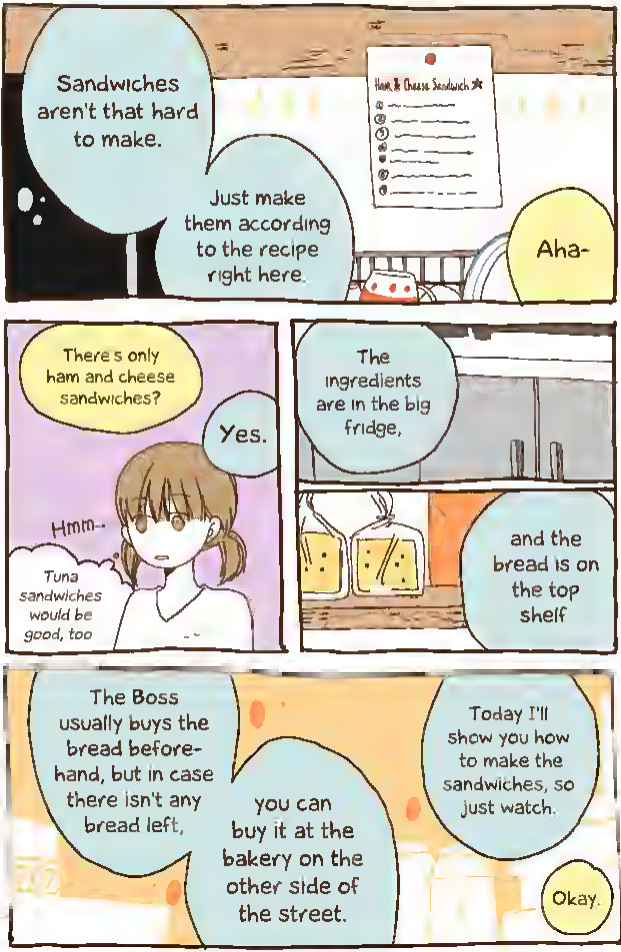
So when you get here in the morning, first you turn on the register Ah, do you know how to work a register?
Ah, yes, I know how to do that!!!
My numerous part-time experiences pay off somehow
Proud
That's good Then have you ever made sandwiches before .?
One or two times .. Just for a snack
The ingredients are this way



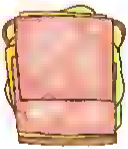
Sandwiches aren't that hard to make.
Just make them according to the recipe right here.
Aha-
Ham & Cheese Sandwich
There's only ham and cheese sandwiches?
Yes.
Hmm--
Tuna sandwiches would be good, too
The ingredients are in the big fridge,
and the bread is on the top shelf
The Boss usually buys the bread beforehand, but in case there isn't any bread left,
you can buy it at the bakery on the other side of the street.
Today I'll show you how to make the sandwiches, so just watch.
Okay.

Easy-peasy Ham & Cheese Sandwich

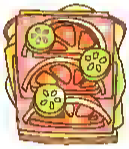
1. One a slice of bread, spread mayonnaise in a zig-zag pattern.

2. Add plenty of lettuce, 2 or 3 leaves should do.

3. Place 2 ham slices and 1 and 1/2 slices of cheese on top of the lettuce.



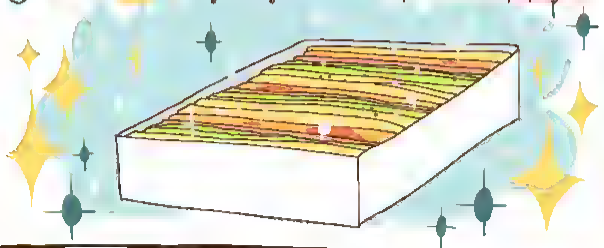
4. Add tomatoes, onions, and pickles as needed.



5. Top it with another slice of bread with mayonnaise, prepared as in step 1.

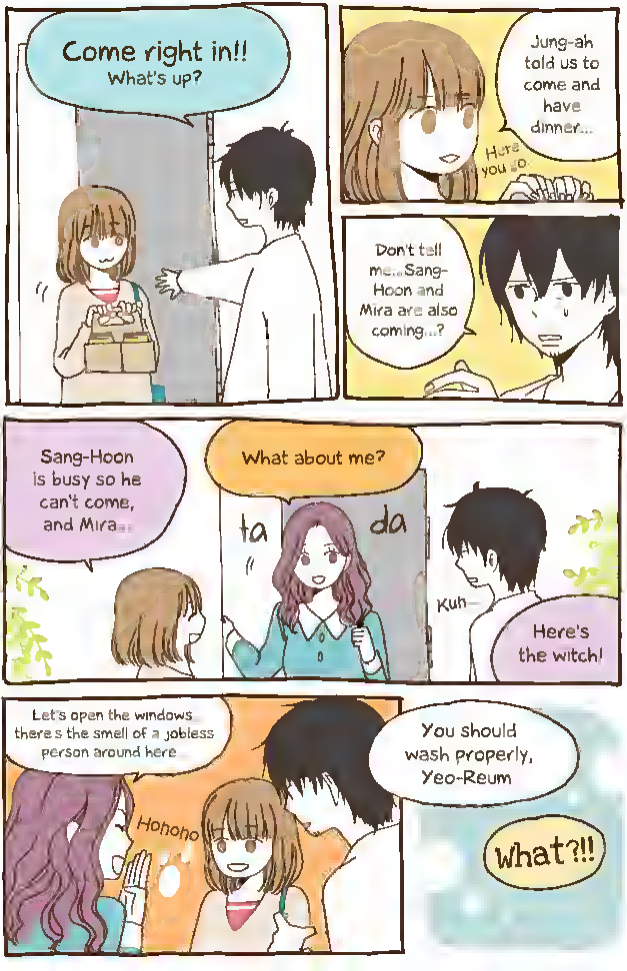
6. Cleanly cut off the bread crusts.

7. Cut it into thirds so they're easy to eat, and then put them in a paper box.



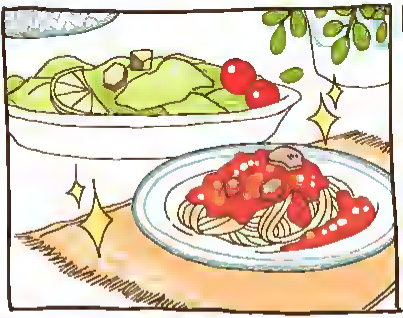
After you've wrapped them up,
Here
Just put them in the showcase, et violá!
You'll be making them alone tomorrow, think you can do it?
We'll see..
You'll pick it up fast, don't worry
First this, then.. Urgh.
Uh...
I'll teach you how to make some simple drinks...
awkward
Yes...

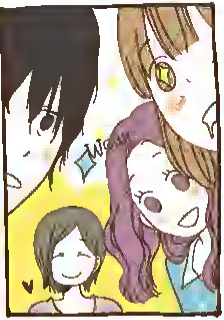
ding-dong
Who is it?
OPPA, IT'S ME, YEO-REUM!
What? Jung-ah isn't home yet
PLEASE LET ME IN. I BROUGHT BEER!



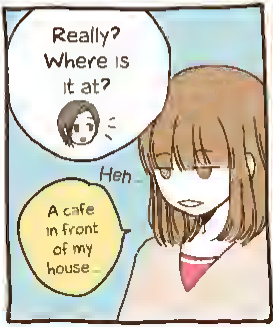
Come right in!!
What's up?
Jung-ah told us to come and have dinner...
Here you go.
Don't tell me...Sang-Hoon and Mira are also coming...?
Sang-Hoon is busy so he can't come, and Mira...
What about me?
ta
da
Kuh—
Here's the witch!
Let's open the windows... there's the smell of a jobless person around here...
Hohoho
You should wash properly, Yeo-Reum
what?!!

I'm not jobless anymore...!
You got a job?!
Just a part-time...
Then the source of the smell can only be one...
There's also the smell of a forever-alone...
Sniff Sniff Sniff
What'd you say?!
I'm back...
Huh?
GRRR!

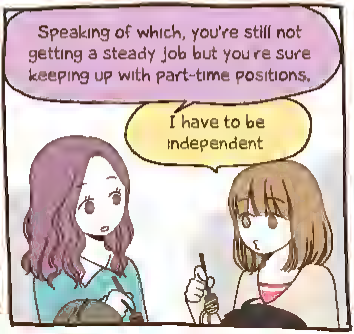




Is today some special day?
What's that about? Hahaha...
I just bought a cookbook on the way home.
Ah! Jung-ah! I got a part-time job!



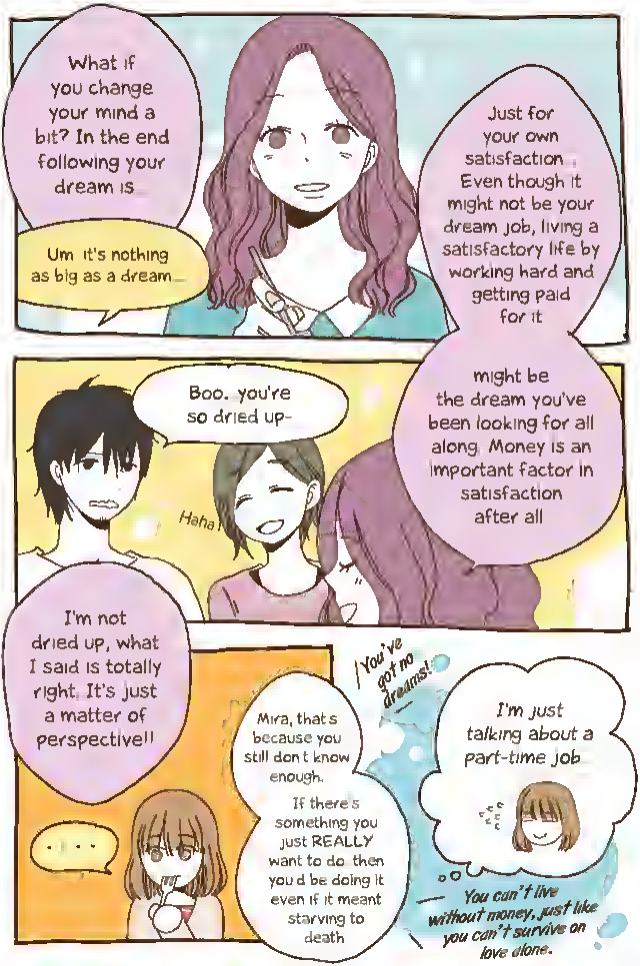
Really? Where is it at?
Heh...
A cafe in front of my house...



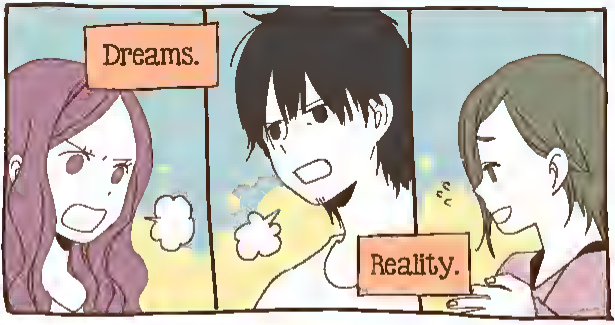
Speaking of which, you're still not getting a steady job but you're sure keeping up with part-time positions.
I have to be independent

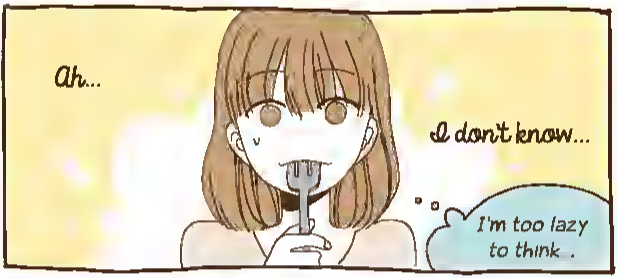
But don't your parents say anything to you?
Nom.
Of course they do. They always tell me to get a proper job...
Hm. But I still don't know what kind of job I want,
and I don't know what would suit me best...
Huu-
You don't have to get a job that suits you the best now....
I think your dream job is something you find after you've tried many things, and you've come near the end of it all.
Try this, too
You're doing well.

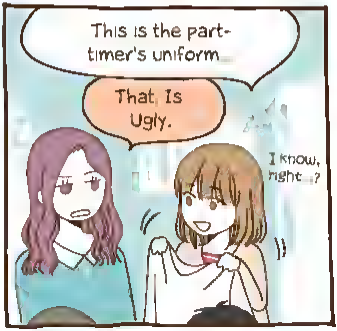
I should find it before I get any older...
Even now, at my age...
NonSenSe!!
SHOUT
You're still young enough, so don't worry about that too much.
No, I am worried...
Just look for it at your own pace...
But finding it fast would be for the best.
Being stubborn and looking for the "right job" and making everyone else exasperated is a bit...
poke poke
No, I'm not that laid-back in looking...



What if you change your mind a bit? In the end following your dream is...
Um... it's nothing as big as a dream...
Just for your own satisfaction... Even though it might not be your dream job, living a satisfactory life by working hard and getting paid for it
might be the dream you've been looking for all along. Money is an important factor in satisfaction after all
Boo. you're so dried up-
Haha!
I'm not dried up, what I said is totally right. It's just a matter of perspective!!
...
Mira, that's because you still don't know enough.
If there's something you just REALLY want to do, then you'd be doing it even if it meant starving to death
You've got no dreams!
I'm just talking about a part-time job
You can't live without money, just like you can't survive on love alone.







Maybe I'm still too immature?

Oh well. It'll work out somehow. That's all I can think right now.
